

2012 FALL DEMO DAY AT HARRITON HIGH SCHOOL

The SEPA Fall Demo Day took place on Saturday October 27, 2012, at Harriton High school in Rosemont, PA. Thank you to our host, Bob Schwartz!

Here are some pictures from the meeting:

Bob Schwartz and Art Zadrozny

Watchers are intrigued

Mike McConnell discusses physics with spreadsheets; Carolyn Sealfon demos Tai Chi and forces

Bob demos a high C capacitor; Bill Berner

Doug Sample discusses projective motion; Fran Poodry shows an online graphing program

Marc Baron demos cryogenics

Ollie Perry demos egg in bottle trick

Ken Fink levitates Robin!

Jeff Wetherhold shows magneto generator Tesla coil

Bill Heffner shows refraction properties of candy glass

Tim Vogel demos refraction magic (where did the test tube go?)
